

CPD NEWS

for Dispensing Opticians

FEBRUARY 2018 - Issue 75

The CPD News is a monthly newsletter produced by ADONZ and emailed to all Dispensing Opticians and students (even if you're not a member of ADONZ). It is the only up to date source of CPD information and lists all accredited CPD for the current cycle. You can also view the CPD News on the **ADONZ website home page blog** – go to www.adonz.co.nz and just click on **CPD for Dispensing Opticians**. If you have CPD related questions please email the ADONZ office: cpd@adonz.co.nz

IMPORTANT - REMINDER ABOUT CULTURAL COMPETENCE POINT REQUIREMENTS (see page 4)

- **ALL DOs** must gain **at least one** cultural competence CPD point **per CPD cycle**.
- **NEWLY REGISTERED DOs** must incorporate a **Treaty Workshop or some form of Treaty learning** as part of CPD during the first two years of registration with the Board.

HOW TO LOG IN AND CHECK YOUR BALANCE AT ANY TIME AT www.adonz.co.nz

- Find the **ACCESS YOUR CPD** box (on the right side of the screen)
- Enter your **registration number** eg 61-00XXX and **password**. Use “**default**” as your interim password if you've never logged in before, and please change your password once you have logged in successfully for the first time.
- Once you've logged in, check your details and your CPD entries. Contact ADONZ if there are any problems: cpd@adonz.co.nz

The current CPD cycle ends on 30 November 2019

You have until the end of November 2019 to gain the 20 points requirement

Please log in to the ADONZ website regularly to monitor your progress:

FREQUENTLY ASKED QUESTIONS ABOUT CPD

<p>Question: When does the CPD cycle start and finish?</p>	<p>Answer: The current CPD cycle began on 1 December 2017 and will finish on 30 November 2019. This is known as the 2018-2019 cycle. The next cycle will begin on 1 December 2019 and finish on 30 November 2021. This will be known as the 2020-2021 cycle. The CPD cycle for DOs will always end on an odd numbered year.</p>
<p>Question: How many credits do I need to gain each year or cycle?</p>	<p>Answer: You are required to gain 20 credits per cycle. A CPD cycle is 24 months long and you have the full 24 months of a current cycle to gain them. All credits will be entered and up to date for all DOs by the end of a current cycle.</p>
<p>Question: Is there a requirement to gain a certain number of the different “types” of CPD? ie Clinical / Ethical / Cultural competencies</p>	<p>Answer: YES – PLEASE SEE BELOW FOR REQUIREMENTS. As of December 2015, practitioners will note that the new standards require completion of cultural competence CPD as part of the Board’s recertification programmes (all DOs are now required to incorporate cultural competence training as part of each CPD cycle).</p> <ul style="list-style-type: none"> • All DOs must gain at least one cultural competence CPD point per CPD cycle. • Newly registered DOs must incorporate a Treaty Workshop or some form of Treaty learning as part of CPD during the first two years of registration with the Board. <p>The ODOB recommends that you gain some credits in all competencies ie clinical competence, ethical conduct and cultural competence. The ADONZ recognizes that it may be difficult to find ethical and cultural related points at times. The ADONZ National Conference usually provides one point in each of these competencies each year. The Codes of Practice for DOs are available on the ADONZ website: www.adonz.co.nz/resources Please read the codes and be aware of your obligations.</p>
<p>Question: How do I check my balance and find out how many CPD credits I have?</p>	<p>Answer: Monitor your CPD balance at any time by going to the ADONZ website: www.adonz.co.nz You don’t have to be a member of ADONZ – you will get different options depending on your membership status. To log in for the first time: Go to the ACCESS YOUR CPD box in the right-hand corner of the home page. Use your registration number eg 61-00XXX and “default” as your interim password. Once you have logged in successfully please change your password so that the system can retrieve it if you forget it. If you need help to log in, please contact the ADONZ office.</p>
<p>Question: What happens if I don’t gain the required 20 credits in time?</p>	<p>Answer: The ODOB will require you to complete a deficit self-audit and you may have a condition placed on your scope of practice requiring you to remedy your CPD deficit and meet half of the current CPD requirement within a shortened time frame. You will also be required to complete the outstanding credits during the next CPD cycle. Example: if you only gained 16 credits during the cycle, the outstanding 4 will carry forward - you would be required to gain 24 in the next cycle.</p>
<p>Question: What happens to extra credits if I gain more than the requirement within a current cycle?</p>	<p>Answer: Credits can be carried forward to the next cycle, but at a rate of 50% up to a maximum of 30 credits. Examples: if you gained 4 extra credits, 2 would carry forward to the next cycle. If you gained 30 or more extra credits 15 would carry forward.</p>
<p>Question: Where can I gain CPD credits to meet the requirement?</p>	<p>Answer: Ways to gain your CPD requirements are listed in the monthly CPD News (this is the only place where you will find this information). The CPD News is updated every month and emailed to all DOs and students that ADONZ has contact details for. It is also posted on the ADONZ home page blog and may be accessed by everyone. All DOs should keep email contact details current with ADONZ at all times to ensure that they are kept up to date with CPD announcements.</p>
<p>Question: Why do I have to gain CPD?</p>	<p>Answer: CPD is a requirement of the ODOB once you are registered and hold an APC. The Board has set the requirement of 20 CPD points per 24 month cycle as a means to monitor the competence of DOs to practice.</p>

OTHER FREQUENTLY ASKED QUESTIONS

<p>Question: What do I do if I go on leave (or stop working for a period of time) and still hold an APC?</p>	<p>Answer: If you go on leave for a period of time you must contact the Registration & Recertification Officer at the ODOB (<i>contact details on last page</i>). She will let you know the correct procedure for your circumstances. You have the option of not holding an APC for the time while you are away. Remember that if you hold an APC you must gain the CPD requirement of 20 credits.</p>
<p>Question: I've been audited and have a question...</p>	<p>Answer: Audits are a requirement of the ODOB - NOT the ADONZ. If you are required to complete an audit at some stage, please direct all questions to the Board Registration & Recertification Officer (<i>contact details on the last page of this newsletter</i>).</p>
<p>Question: Where do I find the Codes of Practice for DOs?</p>	<p>Answer: The Codes of Practice for DOs (and other CPD forms and documents) are available on the ADONZ website: www.adonz.co.nz/resources or www.adonz.co.nz and click on RESOURCES. You don't need to log in to be able to find this information. If you can't find what you're looking for, please contact the ADONZ office and it will be emailed to you: info@aodnz.co.nz</p>
<p>Question: What is the difference between the ADONZ and the Optometrists & Dispensing Opticians Board (ODOB) and what do they do?</p>	<p>Answer: The Association of Dispensing Opticians of NZ Incorporated (ADONZ) is your professional association formed to help and promote DOs and students. The ADONZ is non-profit and membership is not compulsory, but there are many benefits including the monthly E-News, job vacancy notices, networking, HR resources, and business advice. Free membership for students and reduced membership rates for newly graduated students are available. CPD is provided by ADONZ through different methods at a reduced cost to members (i.e. ADONZ National Conference and DVDs). The ADONZ is a member of the International Opticians Association (IOA). The ADONZ is contracted by the ODOB to record and report CPD for all dispensing opticians. The ADONZ maintains up to date records of credits gained which can be monitored by DOs through the ADONZ website. ADONZ also provides administrative support for the ODOB DO CPD Accreditation Committee which considers all CPD applications. The CPD News is produced by ADONZ and is available to all DOs and students each month.</p> <p>The Optometrists & Dispensing Opticians Board (ODOB) is made up of four optometrists, two dispensing opticians and two lay members. It is established to carry out functions determined by the Health Practitioners Competence Assurance Act 2003. The HPCA Act sets out the functions of authorities under Part 6 Section 118 (am). The ODOB is the Government appointed regulator of optometrists and dispensing opticians in NZ. The Board's task is to ensure the on-going protection of the New Zealand public by employing methods for ensuring that optometrists and dispensing opticians are fit and competent to practise their professions. The Board fulfils this role by prescribing the qualifications required for registration as an optometrist and dispensing optician, by setting and maintaining standards of clinical and cultural competence and ethical conduct for the two professions, and by promoting on-going education and training in the two professions.</p>
<p>Question: How do I update my details with ADONZ and the ODOB?</p>	<p>Answer: To update your details with ADONZ please EMAIL them to Hayley at the office: hayley@adonz.co.nz Please do not just update your details on the ADONZ website – this will not update your details throughout the system and you will miss out on important information. Contact Annette McCoy at the ODOB directly to update your details with them: Annette.McCoy@odob.health.nz</p>
<p>Question: What letters can I use after my name when I'm qualified?</p>	<p>Answer: Post nominal letters are the letters that you use after your name when you're qualified. All DOs who qualify through ACOD, TAFE NSW/OTEN or RMIT (Australia) with Certificate IV in Optical Dispensing qualification should use the following letters: RDONZ (no gaps or dots required). If you qualified from outside of Australasia you should use the letters that you gained upon completion of that qualification ie FBDO (UK) etc.</p>

ANY ATTEMPT TO GAIN CPD FRAUDULENTLY IS STRICTLY PROHIBITED AND WILL BE REFERRED TO THE O&DO BOARD. Section 172 of the HPCA Act provides that a person commits an offence if they knowingly make a false declaration on their behalf, or on another person's behalf. The Board may refer the matter to a Professional Conduct Committee to determine whether the act amounts to professional misconduct. The PCC also has the option of referring the matter to the police.

IMPORTANT - USE OF DISPENSING OPTICIAN TITLE

Use of the "Dispensing Optician" title is protected and only registered practitioners are allowed to use this. If you are not registered, or if you are still studying to become a DO you are not allowed to use this title.

You may not be aware that the term "optical dispenser" should also not be used by persons that are unregistered. Section 7 of the HPCA Act 2003 states: "**A person may only use names, words, titles, initials, abbreviations or descriptions stating or implying that the person is a health practitioner of a particular kind if the person is registered, and is qualified to be registered, as a health practitioner of that kind**".

The Ministry of Health's view is that the title "optical dispenser" is so similar to the title "Dispensing Optician" that there is a real risk of consumers being misled. The Ministry's approach in enforcing the Act is to first seek compliance. In cases where the persons are unwilling to comply with the Act, the Ministry will seek to prosecute. Prosecutions under Section 7 carry with them a fine of up to \$10,000. Please make sure that you and the people you work with comply with the Act.

If you know of people who are incorrectly using the title, you can send the ADONZ their details and we will follow up with them. If the situation is not fixed promptly at that time, ADONZ will then refer it to the Ministry of Health.

STUDENTS - ADONZ recommends that all enrolled optical dispensing students use the title **Student Dispensing Optician** or **Trainee Dispensing Optician**. Other titles are confusing for the public and may not accurately convey your status.

WAYS TO GAIN CPD

■ Cultural Competence points

All DOs must gain at least one cultural competence CPD point per CPD cycle. Newly registered DOs must incorporate a Treaty Workshop or some form of Treaty learning as part of CPD during the first two years of registration with the Board.

- There is currently one cultural competence lecture on DVD available through ADONZ. See the DVD section for more information.
- One cultural CPD point available at the ADONZ National Conference in October each year (*this may not necessarily be Treaty related*).
- The foundation course available through Mauri Ora is suitable for the requirement of Treaty learning for newly registered DOs.

INSTRUCTIONS for articles and/or online modules

WEBSITES LISTED BELOW ARE RUN BY THEIR PROVIDERS. Contact the provider if you have questions about their website and how the sites work (contacts listed with their details below).

EMAIL (FORWARD) YOUR RESULTS CONFIRMATION to the ADONZ office in order to have your credits recorded. The confirmation should be the email/notification that you receive from the provider with your results, or a results summary page, or a certificate. Please do not post originals as these will not be returned to you. The confirmation must include the following: your name / pass mark (or stating that you have passed or failed) / the article title and reference number. **ADONZ is NOT automatically informed of your results from providers** unless indicated in the listing below.

- **NZ ACCREDITED ARTICLES as listed below with a NZ ID number:** Go to the appropriate website, complete the article and submit it to the provider for marking. ADONZ members can find links to many current articles through the ADONZ website in the **CPD COURSES** section: www.adonz.co.nz. Instructions to help you with the process are usually available on the applicable website and you will receive confirmation of your marks directly after submission or by return email. Most articles from large publications are free and are posted on each website early in the month. You may have limited time to complete a current article before the answers are published and closed for submission. When you register to complete articles from overseas publications it is helpful if you use your NZ registration number so that it is printed on any results.
- **ARTICLES NOT ACCREDITED FOR NZ (or listed as pending below):** Please **DO NOT complete articles that are not listed as approved**. Please wait until approval is listed here and points allocated, and only then submit for entering.

PLEASE NOTE:

- Many websites listed below are from **outside** of New Zealand and the CPD that they provide is assessed on a case by case basis for NZ DOs.
- You should be familiar with the NZ DO Codes of Practice to help you decide if the article is relevant to NZ DOs, and will therefore be accredited here.
- Credits or points allocated on the different websites do not usually translate directly to NZ.
- There may be articles listed below that are no longer available to complete. Closing dates are published here if known, or check the applicable website.
- Each article/module may only be completed **once** for cpd.

EVENTS

INSTRUCTIONS for attending a CPD event

When you attend a CPD event you will receive an Evaluation Form like this upon entry to the session →.

Complete **all** sections of this form at the end of the session (front and back), tear off and keep your CPD receipt for your records. You **MUST** hand in the top part of your Evaluation Form to the organizer of the event so your CPD points can be recorded.

IMPORTANT: You **must** fill in the back of the form with your **name** and **registration number**. If you do not complete this section, CPD points can't be recorded for you. You should **CIRCLE answers** and choose **ONE answer** for each question. Please do not make up your own answers – circle the option that is closest to your opinion. If you make up new or different answers your feedback can not be recorded.

- Please help the office during data entry by placing any additional comments in the bottom section only.
- Please choose one option when giving a score – you can't circle "yes" and "no"
- Please circle the score that is closest to your opinion when rating the course or speaker ie 3 not 3.5

Your evaluation of lectures and presenters is important to maintain high standards and to assess content and level of lectures. Feedback is constantly monitored by the ODOB DO CPD Accreditation Committee. Please fill in the forms giving your honest evaluation of the lecture. Please refrain from making personal or derogatory comments about presenters. Allow **10 working days for your CPD credits to be entered** (please allow longer for large events such as weekend conferences – Hayley is the only one in the office and there are a lot of you!).

NOTE: The evaluation form is for **lecture and presenter feedback** only – not feedback about the event in general. If you have feedback about a specific event you should give that to the provider.

Please note that you are not eligible to gain points for attending the same lecture twice within a twelve month period.

All course approvals expire and the course must be resubmitted for re-approval if it has not been presented during the preceding two CPD cycles. Re-accreditation is at the discretion of the ODOB DO CPD Accreditation Committee.

■ PEER REVIEW ACTIVITIES

INSTRUCTIONS for cases presented for peer review

The objective of peer review is to provide practitioners with the opportunity to maintain or improve the quality of their performance. It reinforces the essential points of good documentation / record keeping and provides immediate feedback to a participating practitioner by peers in a collegial and supportive environment.

Practitioners who attend and also present a case at a peer review session will qualify for the 1 credit per hour of attendance plus an additional 0.25 credit per ¼ hour of presentation (rounded to the nearest 15 minutes). A minimum of 10 minutes presentation will be required to be eligible for presentation points. To qualify for a credit allocation there must be at least three registered DOs in attendance at the activity.

A case presented for peer review must have been managed within the last six months by the DO presenting the case and must not have been presented before. The case presented should be a non-standard dispense that shows a good level of skill or ingenuity, or a difficult grief case brought to successful resolution. It must contain a description of the patients examination findings from the optometrist, the reason for the lenses and frames chosen comments on the clients history (eg working environment, physical problems, any medical problems), and any other information required to convey to the DOs peers the intricacies of the case. Credits will be awarded upon completion of a record of attendance by the facilitator of the activity, and if applicable, confirmation that the practitioner has presented a case for peer review.

The ODOB DO CPD accreditation Committee may audit any practitioner applying for accreditation of a case presented at a peer review activity. If audited, practitioners will be required to submit anonymised patient notes pertaining to the case presented, and a completed **PEER REVIEW ACTIVITY FORM** (available on the ADONZ website: www.adonz.co.nz/resources) cosigned by a registered DO present at the same session to which the forms relates, and demonstrating that the practitioner has:

- Presented a case for presentation
- Lead a discussion on the management of the case
- Reflected on his/her management of the case

Failure to provide a satisfactory record of a case presentation will result in the practitioner's credits being reduced from 1.25 for presentation to 1 credit per hour for attendance. Practitioners must therefore complete a **PEER REVIEW ACTIVITY FORM** at the time of the peer review event, and save it for submission to the ODOB DO CPD Accreditation Committee when requested. **Remote attendance at peer review meetings via the internet eg skype and/or video conferencing can qualify for CPD accreditation.**

■ ONLINE MODULES

The online activities listed in this newsletter are sourced by ADONZ or individual DOs, and have been assessed and accredited by the ODOB DO CPD Accreditation Committee for CPD in NZ. There are many other sources with online articles that might be suitable to be assessed for NZ CPD. If an article covers aspects of one or more of the competencies in the Codes of Practice for DOs (available on the ADONZ website: www.adonz.co.nz/resources), then please forward the article including the questions and answers to the ADONZ. ADONZ will look into accreditation on your behalf if you are a member. If the article falls outside of the Codes of Practice for DOs in NZ the article will not be accredited for CPD in NZ.
